

Award Winning. Technologically Advanced. Energy Efficient.

No One But Cambridge Builds HOMES LIKE THIS!

Award Winning.

Over the past decade, **Cambridge Homes** has won **dozens of Parade of Homes** awards, including 6 in 2001. So no matter which **Cambridge Homes** community you choose, you'll have a number of **award-winning** designs to choose from.

Technologically Advanced.

Cambridge Homes is the only home builder to offer **WireTech** - structured wiring that **allows 21st century communications through one, multi-function outlet**. Share Internet access. View video tapes and DVDs on every TV. Monitor children's rooms and the exterior of your home for maximum security.

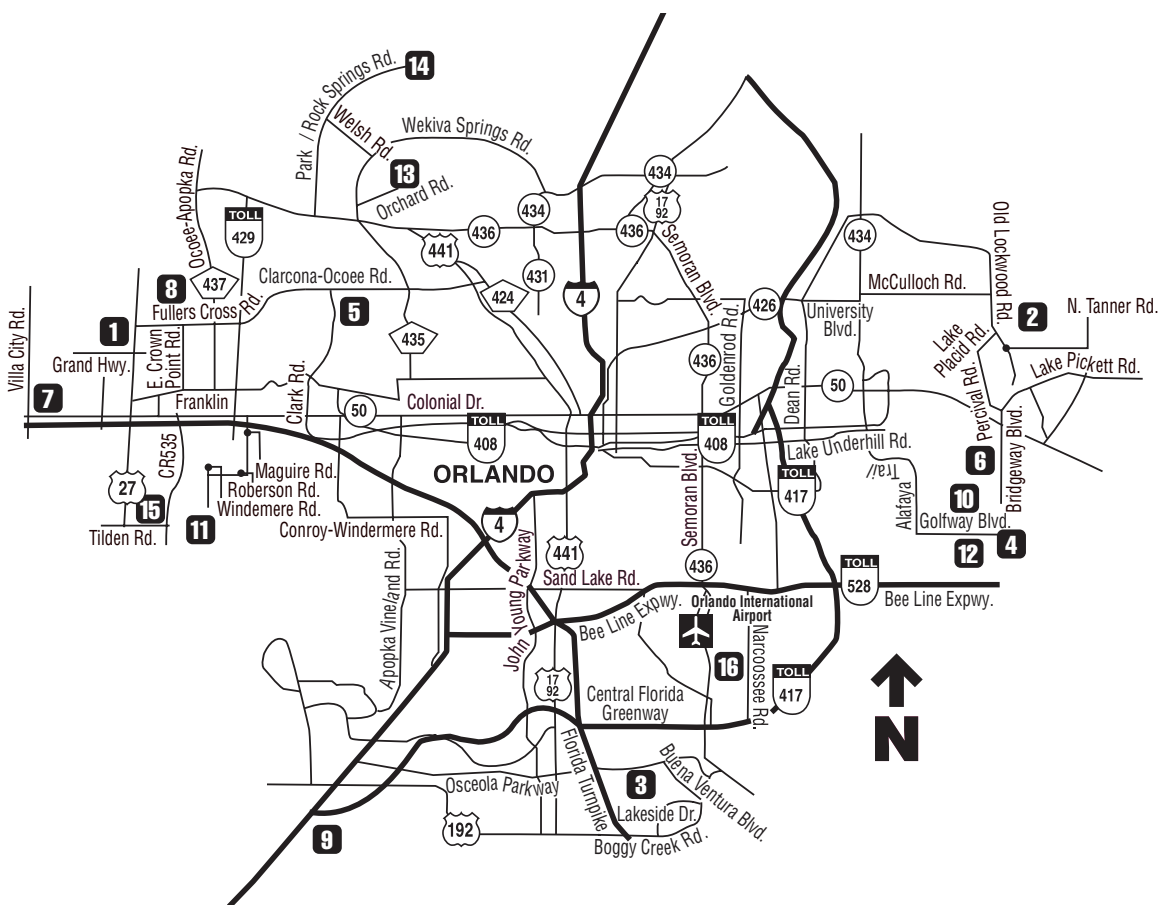

Energy Efficient.

Now Cambridge has earned the **ACT Premium/Energy Star** designation from **Florida Power** and the **EPA** for building homes that use at least 30% less energy than required by the national Model Energy Code while maintaining or improving indoor air quality - the highest standard for **saving energy and reducing your utility bills**.

Visit one of our outstanding new-home communities today and expect to be impressed!
